Assisting Abroad

Maputo, Mozambique (April 20, 2007) – The executive management team traveled to Africa to assist in delivering medical and school supplies, back-packs, games, clothing and present a financial contribution to Reencontro - a community based orphanage in Maputo. Reencontro, meaning new beginnings – provides assistance to HIV and AIDS orphans. The situation of HIV and AIDS prevalence in Maputo and the country at large is extremely worrying with statistics pointing towards a sero-positive status of up 30% of the total population. The Regional Investment & Management team met with the founders and executive directors of the organization to discuss “high priority issues” of the organization and share the firm’s commitment to continuous support.

The team then spent a week participating in activities with the orphans including home visits, round table discussions, and a meeting with the first lady Maria da Luz Dai Guebuza to discuss the immediate needs of Mozambique and ongoing support. Rosey Miller, CEO of Regional investment & Management said, “we are committed to supporting to supporting the needs and dreams of the aids orphans of Maputo through our financial support and relationships.”

Regional Investment & Management is a Los Angeles based real estate investment firm specializing in the acquisition and operations of apartment communities.
