### **Fighting Hunger**

San Antonio, Texas (June 7, 2007) – Regional Investment & Management has formed a partnership with the San Antonio Foodbank to promote the mission of the Foodbank within the firm’s communities. Food drives, volunteerism, hunger education and financial support are the focus of RIM’s partnership with the Foodbank. Rosey Miller RIM’s CEO said, “we are extremely excited about the partnership and opportunity to support the efforts of the Foodbank.”

The Foodbanks mission is to fight hunger in Southwest Texas through food distribution, programs, education, and advocacy. USDA Economic Research Service and America’s Second Harvest reported that over 38 million Americans are food insecure. Of those 38 million, more than 13 million are children and 4 million are seniors. Last year, over 27 million people used a Food Bank for emergency food assistance.

Regional Investment & Management is a Los Angeles based real estate investment firm specializing in the acquisition and operations of apartment communities.
